STATION AND STRENGTH REPORT OF THE
CIVILIAN CONSERVATION CORPS
NOVEMBER 30, 1933.

CONTENTS:

Copies of reports rendered by the corps area commanders (pages 1 to 164, inclusive), showing the location and strength of camps and work companies. These pages are preceded by an index.

Supplement to a corps area report (page 165).

Tabular statement (page 166) showing the State in which the members of the Civilian Conservation Corps were enrolled.

Tabular statement (page 167) showing by corps area the number of camps and companies, the number of enrolled men, the number of commissioned officers and enlisted men on CCC duty; and the number of enrolled men lost by death and discharge.

OFFICIAL:

JAMES F. McKINLEY.
Major General,
The Adjutant General.

Since this extract from the reports of the area commanders is intended to show only those administrative and supply units to which members of the Civilian Conservation Corps are assigned, columns 6, 7, 8, 9 and 10 hereof have not been filled in.

E. K. PARKER

Station and Strength Report of the
CIVILIAN CONSERVATION CORPS

January 31, 1935.

This report contains:

- a. Copies of reports rendered by the corps area commanders (pages 1 to 120, inclusive), showing the location and strength of camps and work companies. These pages are preceded by an index and a legend.
- b. Extracts of reports showing administrative and supply units to which members of the Civilian Conservation Corps are assigned (pages 121 to 128, inclusive).
- c. Statement (page 129) showing location of each zone, district, and sub-district headquarters.
- d. Tabular statement (page 130) showing the State in which the members of the Civilian Conservation Corps were enrolled, and the corps area in which serving.
- e. Tabular statement (page 131) showing by corps area the number of camps and work companies; the number of enrolled men; the number of commissioned officers and enlisted men on CCC duty; and the number of enrolled men lost by death and discharge.

Last previous report, October 31, 1934. Next report, March 31, 1935. Reports of changes in company locations will be issued from time to time.

Station and Strength Report of the
CIVILIAN CONSERVATION CORPS

June 30, 1935.

This report contains:

- a. Copies of reports rendered by the corps area commanders (pages 1 to 157, inclusive), showing the location and strength of camps and work companies. These pages are preceded by an index and a legend.
- b. Reports showing administrative and supply units to which members of the Civilian Conservation Corps are assigned (pages 159 to 193, inclusive).
- c. Statement (page 188) showing location of each zone, district, and sub-district headquarters.
- d. Tabular statement (page 194) showing the State in which the members of the Civilian Conservation Corps were enrolled, and the corps area in which serving.
- e. Tabular statement (page 196) showing by corps area the number of camps and work companies, the number of enrolled men, the number of commissioned officers and enlisted men on COG duty, and the number of enrolled men lost by death and discharge.

Last previous report, January 31, 1935. Probable date of next report, December 31, 1935. Reports of changes in company locations will be issued from time to time.

Station and Strength Report of the

CIVILIAN CONSERVATION CORPS

December 31, 1935.

**BULKY
PACKAGES**

This report contains:

- a. Index (pages I, II and III); legend (page IV); statement showing states under the jurisdiction of corps areas (page V).
- b. Copies of reports rendered by the corps area commanders (pages 1 to 184, inclusive), showing the location and strength of camps and work companies.
- c. Reports showing administrative and supply units to which members of the Civilian Conservation Corps are assigned (pages 187 to 234, inclusive).
- d. Statement (pages 185 and 186) showing location of each zone, district, and sub-district headquarters.
- e. Tabular statement (page 235) showing the state in which the members of the Civilian Conservation Corps were enrolled, and the corps area in which serving. Tabular statement (page 236) showing the average number of members of the Civilian Conservation Corps by state in which employed.
- f. Tabular statement (page 237) showing by corps area the number of camps and work companies; the number of enrolled men; the number of commissioned officers and enlisted men on CCC duty; and the number of enrolled men lost by death and discharge.

Last previous report, June 30, 1935. Probable date of next report, June 30, 1936. Reports of changes in company locations will be issued from time to time.

Station and Strength Report of the
CIVILIAN CONSERVATION CORPS

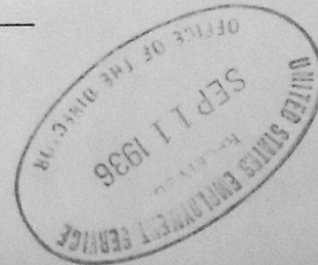

June 30, 1936.

This report contains:

- a. Index (pages I, II and III); legend (page IV); statement showing states under the jurisdiction of corps areas (page V).
- b. Copies of reports rendered by the corps area commanders (pages 1 to 162, inclusive), showing the location and strength of camps and work companies.
- c. Reports showing administrative and supply units to which members of the Civilian Conservation Corps are assigned (pages 165 to 201, inclusive)
- d. Statement (pages 163 and 164) showing location of each district, and sub-district headquarters.
- e. Tabular statement (page 202) showing the state in which the members of the Civilian Conservation Corps were enrolled, and the corps area in which serving. Tabular statement (page 203) showing the average number of members of the Civilian Conservation Corps by state in which employed.
- f. Tabular statement (page 204) showing by corps area the number of camps and work companies; the number of enrolled men; the number of commissioned officers and enlisted men on CCC duty; and the number of enrolled men lost by death and discharge.

Last previous report, December 31, 1935. Probable date of next report, December 31, 1936. Reports of changes in company locations will be issued from time to time.

Station and Strength Report of the
CIVILIAN CONSERVATION CORPS

December 31, 1936.

This report contains:

- a. Index (pages I, II and III); legend (page IV); statement showing states under the jurisdiction of corps areas (page V).
 - b. Copies of reports rendered by the corps area commanders (pages 1 to 166, inclusive), showing the location and strength of camps and work companies.
 - c. Reports showing administrative and supply units to which members of the Civilian Conservation Corps are assigned (pages 169 to 208, inclusive).
 - d. Statement (pages 167 and 168) showing location of each district, and sub-district headquarters.
 - e. Tabular statement (page 209) showing the state in which the members of the Civilian Conservation Corps were enrolled, and the corps area in which serving. Tabular statement (page 210) showing the average number of members of the Civilian Conservation Corps by state in which employed.
 - f. Tabular statement (page 211) showing by corps area the number of administrative and supply units; the number of camps and work companies; the number of enrolled men; the number of commissioned officers and enlisted men on CCC duty; the number of enrolled men gained by enrollment, reenrollment and reinstatement; and the number of enrolled men lost by death and discharge.
-

Last report, June 30, 1936. Probable date of next report, June 30, 1937. Reports of changes in company locations will be issued from time to time.

Station and Strength Report of the
CIVILIAN CONSERVATION CORPS

June 30, 1938.

This report contains:

- a. Index (pages I and II); legend (page III); statement showing states under the jurisdiction of corps area (page IV).
- b. Copies of reports rendered by the corps area commanders (pages 1 to 123, inclusive), showing the location and strength of camps and work companies.
- c. Statement (page 124) showing the location of each district, and sub-district headquarters, and administrative units.
- d. Reports showing administrative and supply units to which members of the Civilian Conservation Corps are assigned (pages 125 to 153, inclusive).
- e. Tabular statement (page 154) showing the state in which the members of the Civilian Conservation Corps were enrolled, and the corps area in which serving. Tabular statement (page 155) showing the average number of members of the Civilian Conservation Corps by state in which employed.
- f. Tabular statement (page 156) showing by corps area the number of administrative and supply units; the number of camps and work companies; the number of enrolled men; the number of commissioned officers and enlisted men on CCC duty; the number of enrolled men gained by enrollment, reenrollment and reinstatement; and the number of enrolled men lost by death and discharge.

Last report, December 31, 1937. Probable date of next report, December 31, 1938. Reports of changes in company locations will be issued from time to time.
